

HOW TO CHOOSE YOUR SIZE

Take your measurements

- 1 - Chest measurement:
Under the arms at the fullest part of the chest
- 2 - Waist measurement:
At the narrowest part of the waist
- 3 - Hip measurement:
At the fullest part of the hips
- 4 - Length from shoulders to knees:
From the middle of the shoulder to the knees following a curve over one breast
- 5 - Length from waist to knees (for skirts)

Choose your size

Using the following tables, choose the size required among the six available (XS to XXL), then check the length. (Please contact us for other sizes and lengths)

FULL WRAP LEAD APRONS, FRONTAL LEAD APRONS
